

The image shows a large, modern event space, likely a warehouse converted into a wedding hall. The ceiling is high with exposed wooden beams and a complex rig of stage lights and speakers. The floor is made of dark wood. In the center, a bride and groom are dancing. The room is filled with round tables covered in white cloths, each with a large, vibrant floral centerpiece. The walls are covered in light-colored curtains, and the overall atmosphere is romantic and elegant.

Globally Inspired

Attending one of our fabulous group menu tastings

Chic and Luxe packages include the opportunity for you both to attend one of our group menu tastings. The tasting is designed as a fun date night for our amazing couples.

You will be invited to sample a number of the most popular dishes from our menu as selected by our Executive Head Chef to gain a glimpse of our quality, presentation, flavours and service. There will also be display plates to photograph and all dietary requirements are catered if received in advance when booking.

We host multiple group tastings throughout the year to ensure that you are tasting the most seasonal menu as your wedding approaches.

You will be invited to attend one within 6 months leading up to your wedding day and advised with 1 month's notice. There is also the opportunity to taste all of our beverage packages, including some of the delicious cocktails, while talking through your choices with our Operations Managers and your experienced Wedding Producer.

These group tastings are for our timeless seated wedding packages, should you select a culturally inspired speciality menu then a private menu tasting can be arranged at a charge of \$630 for the two of you.

Every celebration is as unique as the couple celebrating. As such, we offer a wide range of menus to cover all tastes.

Any of the above plated menus can be substituted with our Greek inspired dishes, or upgraded to multi-course East Meets West fusion banqueting style. All of our packages are halal, and kosher friendly menus are available.

*If your wedding booking is within 6 months, alternative arrangements may be offered for your tasting. Please speak to your Wedding Sales Executive prior to booking should you have any questions. Otherwise, your Wedding Producer will advise the options during planning.

The Big 'I Dos'

Cargo Hall offers both indoor and outdoor options for your ceremony.

The indoor alternative (which is perfect for Melbourne's unpredictable weather) is located on your dance floor, with the reception completely hidden from guests using complimentary draping.

The Conservatory is a gorgeous enclosed space, looking over the Yarra River and Melbourne's city skyline. This space provides a stunning option for a more intimate ceremony. With an outdoor feeling in the bustling heart of South Wharf.

Once your ceremony has concluded, we will then invite your guests to one of our neighbouring restaurants along the promenade, allowing your guests to be entertained while you complete your wedding photography in the nearby area. Your guests will then return to see the space completely transformed ready for your arrival drinks and canapés.
