Globally Inspired

Attending one of our fabulous group menu tastings

Chic and Luxe packages include the opportunity for you both to attend one of our group menu tastings. The tasting is designed as a fun date night for our amazing couples.

You will be invited to sample a number of the most popular dishes from our menu as selected by our Executive Head Chef to gain a glimpse of our quality, presentation, flavours and service. There will also be display plates to photograph and all dietary requirements are catered if received in advance when booking.

We host multiple group tastings throughout the year to ensure that you are tasting the most seasonal menu as your wedding approaches.

You will be invited to attend one within 6 months leading up to your wedding day and advised with 1 month's notice. There is also the opportunity to taste all of our beverage packages, including some of the delicious cocktails, while talking through your choices with our Operations Managers and your experienced Wedding Producer.

These group tastings are for our timeless seated wedding packages, should you select a culturally inspired speciality menu then a private menu tasting can be arranged at a charge of \$630 for the two of you.

Every celebration is as unique as the couple celebrating. As such, we offer a wide range of menus to cover all tastes.

Any of the above plated menus can be substituted with our Greek inspired dishes, or upgraded to multi-course East Meets West fusion banqueting style. All of our packages are halal, and kosher friendly menus are available.

*If your wedding booking is within 6 months, alternative arrangements may be offered for your tasting. Please speak to your Wedding Sales Executive prior to booking should you have any questions. Otherwise, your Wedding Producer will advise the options during planning.
